**Intuitive Investments Group plc**

**Light Science Technologies Holdings plc's Floatation**

Intuitive Investments Group plc (AIM: IIG) ("**IIG**" or the "**Company**"), a closed-end investment company focussed on the life sciences sector, announces that Light Science Technologies Holdings plc's (AIM: LSTH) ("**LSTH**") ordinary shares have, this morning, been admitted to trading on AIM ("**Admission**").

IIG holds, 13,280,000 ordinary shares in LSTH, representing 7.6% of the issued share capital of LSTH. IIG's investment was initially by way of £1 million of convertible loan notes, which had a 7.25% coupon and converted automatically at a 20% discount to LSTH's ordinary share price on Admission. IIG also subscribed for ordinary shares equal to the interest and non-executive director's fee of £78,000 due to IIG from LSTH. IIG's shares in LSTH are subject to six-month hard lock-in and six-month soft lock-in.

David Evans, Executive Chairman of IIG, holds 10,000,000 ordinary shares in LSTH, representing 5.7 per cent. of the issued share capital of LSTH, which were subscribed for at the placing price and warrants to subscribe for up to 6,000,000 ordinary shares. Robert Naylor, CEO of IIG, holds 2,500,000 ordinary shares in LSTH, representing 1.4 per cent. of the issued share capital of LSTH, which were subscribed for at the placing price.

**David Evans, Executive Chairman of IIG, commented:**

*"Congratulations to Simon Deacon and the LSTH team. We are particularly excited by LSTH's deep knowledge of the light spectrum, particularly for applications in the fast-growing controlled environment agriculture division which addresses vertical farming, glasshouse and polytunnels, but also in other applications in digital health. We look forward to LSTH's continued success in the next stage of its development as an AIM company."*
